Sponsor a flag along the *International Mile* of the 2009 *Utica Boilermaker Road Race!*

Imagine the 192 flags of the United Nations member states lining the International Mile. That's our goal in 2009 and you can help make it happen!

We invite you to contribute to the Mohawk Valley Resource Center for Refugees' programs and services through this extraordinary opportunity! **You or your corporation can sponsor a flag from around the world with a donation of only \$250.** Your flag of choice and your name will fly at the International Mile adding to the festivities. Also, your flag of choice and your name will be prominently displayed at all our exciting events planned for 2009! When not at the events all flags proudly line the hallways of MVRRCR drawing the attention of all visitors.

Throughout the year we bring the world to the Mohawk Valley as we celebrate our diverse community with exciting events such as:

- *World Refugee Day*
- *Midday Lecture Series*
- *The "International Mile" of the Utica Boilermaker Road Race*
- *Passport to the World, an Evening of International Dining and Entertainment*

Sponsor as many flags as you like! Please visit the International Mile website www.internationalmile.org to see what each of the flags look like, and then let us know which flag you prefer. Remember, sponsorships are first come, first serve!

Thank you for helping us to welcome our new neighbors, refugees and immigrants!

Sincerely,

Peter D. Vogelaar
Executive Director
